IN MEMORIAM

A teacher at Le Grand for 15 years Paul Neumann was also a product of the school graduating in 1948. He lived his whole life in this area devoted to its students and enjoying the familiar countryside.

Devoted to his family he was a gentle man quick of wit, slow to complain. He will be long remembered in the hearts of his students perhaps the most fitting memorial.

are seniors and you probably
like me can't believe it. I
sure have enjoyed knowing you
all these years even if we ~~could~~
couldn't get along when we were
small but I'm glad we do now.
You better keep in touch even
after I'm married. You always
welcome. I really want to wish
you all the luck in the future
years to come & in whatever
you do. Lots of luck &
God Bless you. Love

Chris,

To a really good friend of mine.
We've had a lot of fun while
we were in high school and
did a lot of partying in our
senior year. We will always remember
our years of high school and
I'm glad we made them worth
remembering. Have fun this summer
and lots of luck in your
future years.

Love,
Gloria O.
